

ONLINE LIVE INTERACTIVE MULTIMEDIA BROADCAST featuring Vancouver's Moreza at Hennessey Dinner Lounge

ONLINE - On Thursday, November 30th, 2006 at 8.00pm PST (PDT) – 11.00pm EST (EDT) Heart In Action Enterprises sponsors this event in collaboration with Hennessey Dinning Lounge, and FEPA (Featured Entertainment & Production Arts Ltd). Showcasing and featuring Heart In Action's youth alliance Moreza, a young talented Iranian-Canadian composer/guitarist contributing his sensations to the world of music, through composing and performing his unique style: a fusion of Nuevo flamenco roots with a touch of middle eastern harmonies.

The event at Hennessey Dinning Lounge will be broadcasted live over the internet via the SMT Sweet Mother Tour Branded Screen, SMT-Meet, a Live Multimedia Interactive Screen, with an online tool that gives viewers globally the ability to interact, engage in dialogue, and watch or chat through live video telephony, the new emerging telecommunications technology.

Special Guest Appearances: Connecting Virtually From LA:

Derrick N. Ashong (aka DNA), Founder/Director Sweet Mother Tour and Soulfege award-winning musician, actor and public speaker, will connect via the internet to watch Moreza perform and interact with Moreza in Vancouver.

DNA has worked and performed with such international stars as Bobby McFerrin, Janet Jackson and Steven Spielberg. As the founders of the Sweet Mother Tour (SMT) movement, they are committed to using the power of popular culture to connect and empower youth across the globe. To date, SMT products have aired in 45+ countries in Africa, the Caribbean, and North America, including such major outlets as BBC Worldservice, MTV Africa, and Channel O, Africa's first continent-wide 24hr music television station.
